

You are invited to join us for the 3rd ICPCN CONFERENCE

30 May - 2 June 2018
Durban, South Africa

Abstract submission is open

Registration is open

Building on the success of our two previous ICPCN conferences in Mumbai in 2014 and Buenos Aires in 2016, the ICPCN is delighted to present the **3rd ICPCN Conference: Inspiration, Innovation, Integration** to take place in Durban, South Africa from Wednesday 30 May – Saturday 2 June 2018. The conference will bring together people from around the world and from all professions who work with children with life-threatening and life-limiting conditions and facilitate the exchange of knowledge, new and innovative ideas, research and experiences.

With a line up of world class keynote speakers, the conference programme promises to provide rich opportunities for professional development and networking and aims to be a catalyst for the development of expertise in children's palliative care in South Africa.

CARE & SUPPORT
Hospice Palliative Care Association of South Africa

The conference will focus on:

1. **Inspirational** ideas and their implementation
2. **Innovations** and research into the care of children with life-limiting and life threatening conditions
3. **Integration** of children's palliative care within health, social and education systems

A full day of workshops on 30 May will cover:

- Children's palliative care in humanitarian situations
- Perinatal palliative care
- Difficult conversations in children's palliative care
- Reaching out to develop children's palliative care programmes
- Ethical considerations in children's palliative care
- Supporting others in the face of a child's death
- Managing pain in children from birth to young adulthood
