FRIENDSHIP/MEMBERSHIP SUBSCRIPTION FORM

ABOUT KEHPCA

Kenya Hospices and Palliative Care association (KEHPCA) exists to promote access to quality palliative care for all in need across the country. With over 15 years of dedicated advocacy for palliative care, KEHPCA is a powerful voice for persons living with palliative care needs (PLWPCN).

Millions of Kenyans with serious health related suffering (SHS), hard to cure and incurable illnesses are living and dying in agony because they lack access to pain relief medicines and psycho-social support. There is growing demand for palliative care services as the number of Kenyans with communicable and non-communicable diseases rises.

MEMBERSHIP

KEHPCA is an institutional membership organization whose mandate is to scale up access to palliative care services. The members are mainly drawn from hospices, palliative care units in government and non-governmental hospitals and community based organization with an interest in Palliative care.

MEMBERSHIP CRITERIA

- Proof of registration with the relevant government authorities.
- Proof of physical location where palliative care services take place
- A financial report for the last two years where possible
- Members are encouraged to be registered with NHIF
